4

**(FIN)** Säädä vaijerien pituutta lyhemmäksi työntämällä sitä vaijerilukon läpi. Pidennä vaijeria vapauttamalla vaijerilukko painamalla lukon reunaan kynnellä ja vetämällä vaijeria sen jälkeen lukon läpi.

**(ENG)** Shorten the wire by pushing it through the wirelock. Make it longer by releasing the wirelock with your fingernail and pushing the wire through.

4

**(FIN)** Älä vedä vaijeria kokonaan pois vaijerilukosta! Vaijerilukko voi vaurioitua!

**(ENG)** Do not pull the entire wire out of the wirelock! Wirelock mechanism may break.
